Subject: Gulfco Marine Maintenance - ROD

Good morning,

The TCEQ received an electronic copy of the signed Gulfco Marine Maintenance Record of Decision (ROD) via email (dated 10/4/2011 without figures) and a complete version in an Adobe Acrobat format on compact disk (received on 10/11/11) from the EPA. This email is to advise you that we intend to recommend TCEQ concurrence for my management's consideration; however, please note that TCEQ approval is subject to executive management review/approval.

If you have any questions, please contact me.
